

## BETTY AUDITION PIECE 1 (WITH BILLY/CAPTAIN TOM) PG6

BETTY                    Oh but Finn is harmless Captain Tom!

*BILLY goes to the fruit stall*

BILLY                    Yeah he only grappled an apple, pinched a pear and bagged a banana!

CAPTAIN TOM            Never the less - he is still a wanted man!

BETTY                    Oh come on Captain, - you must have better things to do? at least he's eating healthily? You know? - getting his 5 a day?

BILLY                    Hey Mum!, talking of eating healthily, - did I tell you I am thinking of opening an Elvis Presley themed steak house

BETTY                    Are you Billy?

BILLY                    Yes, it's for people who 'love meat tender'!  
(BILLY laughs at his own joke, Betty slaps him)

CAPTAIN TOM            Now guards, please search the area and make sure it safe for the King and Queens arrival

BETTY                    Ooh, feel free to search me if you want boys!

*The GUARDS walk in opposite directions*

BETTY                    Please yourselves! I'd better be getting back to the salon anyway.. but before that.. I need to find myself a new man!!! Let's have a look at you...  
Put the lights on can you please (house lights up)  
my eyesight isn't what it used to be, - that reminds me - you never guess who I bumped into in Specsavers the other day... Everyone!  
The optician examined me and said  
'Madam, I am afraid to tell you, you are colour blind'  
Well, that was a real bolt out of the orange I can tell you!

## BETTY AUDITION PIECE 2 PG11

BETTY                    Wonderful! Now before I carry on my way, I have a public service announcement, apparently there has been an accident on the A35, a

lorry  
'clothed in

load of boy band merchandise has over turned and the road is  
one direction'.

Haha! I'm only joking! Now  
as you know I'm Betty Bouffant, owner of the 'Blow 'n go' hair salon in the  
village, it's a cut above the rest you know! But I'm a poor, penniless, lonely  
single woman...

AUDIENCE

BETTY

Oh come on! I'm far more lonely and single than that!

AUDIENCE

BETTY

Well I'm single for now hey XXXX. You know what, I probably should have  
gone out with that nice man who worked at the zoo, he would have been  
keeper!...Anyway, I've just been cleaning my dressing room, and someone  
has been in there and taken my glasses!, but it's ok.. I'll find them..
