CAPTAIN TOM Top of the morning to you Betty and what a fine day for the King and Queen to come and visit your village

CAPTAIN TOM Will do Town Crier. - Now, we have come ahead to check that everything is ready and that there will be no mischief

SNITCH Permission to speak sir?

CAPTAIN TOM Yes Snitch

SNITCH Not that I am one to tell tales sir but, it looks like Finn Ryder is still at large!

SNITCH points to the 'Wanted' posters

CAPTAIN TOM Really...

BETTY Oh but Finn is harmless Captain Tom!

BILLY goes to the fruit stall

BILLY Yeah he only grappled an apple, pinched a pear and bagged a banana!

CAPTAIN TOM Never the less - he is still a wanted man!

BETTY Oh come on Captain, - you must have better things to do? at least he's eating healthily? You know? - getting his 5 a day?

BILLY Hey Mum!, talking of eating healthily, - did I tell you I am thinking of opening an Elvis Presley themed steak house

BETTY Are you Billy?

BILLY Yes, it's for people who 'love meat tender'!
(BILLY laughs at his own joke, Betty slaps him)

CAPTAIN TOM Now guards, please search the area and make sure it safe for the King and Queens arrival
