

## NARRATOR AUDITION PIECE

NARRATOR DSL      Here I am again my friends, back to fill you in,  
We stand inside the castle grounds, home of the Queen & King  
You have met all the motley crew, that feature in our tale  
And now our dear Rapunzel has come down from her jail  
Will Finn help her see the lights, and watch the lanterns rise?  
Or will Mother Gothel persuade her flower, to come back to the skies  
Hush! - what's that? Did I hear footsteps?, maybe it's those guards  
Lets hope they don't catch poor old Finn!.. let's see what's on the cards
