SYLVESTER AUDITION PIECE

SYLVESTER It's a good job I'm here, those two couldn't catch a cold! Now, *(to AUDIENCE)* you seem nice enough tho, tell me, should I really be helping those Guards or should I be helping this Finn?

AUDIENCE Finn

SYLVESTER Neigh… Well, I'll see what I can do!
After all - I *am* Sylvester Stallion, the greatest
action horse around. I am a Ninja, now you see me (jumps into the wings) now you don't! (Creeps back on stage) I am as silent as a mouse. Can you hear me? Oh no you can't

AUDIENCE Oh yes we can

SYLVESTER Oh no you can't

AUDIENCE Oh yes we can

SYLVESTER (laughs) I wasn't always on my own you know! I once played as a pantomime horse along with Arnold Schwarzenegger. He was very insistent that I was at the
front… I said neigh Arnie!, surely we can share!? but he just stood tall and said "I'll be back" Unfortunately I had to terminate the partnership. So, you
see, we went to try out for Daisy the cow, - Jack and the Beanstalk?..but he was udderly useless.
So here I am! All alone. The front end of the horse with no back end at all. (Pause) But no time to stand here moping around - I don't want people asking me 'why the long face?' …
It's all good! I've decided to try my luck in theatre! - after all, what have I got to lose? I'm not afraid of making a foal of myself…get it? Foal of myself?.. Haha! And if all else fails, I'll just dazzle dazzle 'em with a bit a bit of the old j jazz hands!
